To whom it may concern,

I hope you are doing well. I work for the Tobacco and Cannabis Research Lab at the University of Nevada, Reno. In conjunction with Yale University, we are currently compiling a dataset of ordinances related to cannabis dispensary opt-outs.

We were wondering if we could get a copy of the signed/final version of Order 20-048. Could we also confirm the effective date of the order?

Your assistance in this matter will ensure that Windham is represented accurately in the data set which we are constructing for public use. Your help is greatly appreciated!

Best wishes,

**Nien Tran**
