Dear Justin,

Under 1 M.R.S. § 408-A(6) we are not required to generate a new report by running the software to create a compilation of data that is not otherwise available. The only report that we regularly generate that most closely matches the details requested is an 'Invoice Proof' report.

A few months ago, our software provider Tyler Technologies performed an upgrade, and unbeknownst to us, records we paid to store offsite were purged. These reports should have remained available. The electronic records we are able to provide can be found at:  [InvProof Reports 1.1.2025 to current](#)

Thank you,

Tammy Hodgman
