RE: Monthly Report for January 2019

The mission of the Town Clerk's Office is to ensure the towns permanent records are recorded and preserved. We prepare for and run elections striving to be professional, knowledgeable, and proficient. We are here to serve the residents and assist them with their daily business in a professional and courteous manner.

On Monday, January 7th I swore in our newest Police Officer Robert Hamilton. It was very nice to see all the support he had with his family, fellow officers and employees from the Parks & Rec office there. Robert used to work for Parks and Rec during the summer months when he was younger.

This month was still very busy with dog licensing. The staff spent quite a bit of time making phone calls letting them know the late fee would start on February 1<sup>st</sup>. We also ran another ad in the Windham Eagle. However, we still have a few hundred dogs that are still not licensed, and they will be paying \$25.00 extra per dog.

We are working on a project with our voter registration cards where each voter needs to have a bar code label run and attached to their card. We have 24 voter card file drawers, so this project will take a while as we only work on it when there is nothing else going on.
