

We had an amazing experience in Michigan. The learners got to meet people from all over the world! They learned so much during their time at the World Finals.

One of the takeaways was how much we want to spread this and help other teams have this same opportunity. This team is continuing on as Windham Middle School students.

Thank
You

We just wanted to say thank you! We had an amazing experience at the Odyssey of the Mind World Finals in Michigan. The team placed 23rd out of 67 teams and got the best Spontaneous score of all Maine teams who went. It was a memorable trip, and we appreciate your donation and support that made it possible.
