Selectman and Residents
Town of Windham
8 School Rd
Windham, ME 04062-4899

Dear Selectman and Residents,

It is with great pleasure that we thank you once again for your continued support and generosity. We understand that you are faced with many requests for funding and truly appreciate that the Town of Windham elected to sustain their financial commitment to Northern Light Home Care & Hospice with a grant in the amount of \$1,000.00. Rest assured that the funds you have awarded us will be used to care for patients who lack sufficient health insurance or require our telehealth program for daily monitoring.

As you know, our patients are primarily the frail elderly and all are homebound. Some are recovering from illness or surgery or may be managing one or more chronic illnesses while others have elected to spend their remaining days at home under hospice care. Many are the lonely and isolated who look forward to their visit by the clinician. Indeed, sometimes for some, their only visitor is their nurse.

The stories are many and our hearts are full of compassion for this population. Thus, we remain forever thankful for your thoughtful consideration.

Very truly yours,
