RE: Towing Ordinance Violation

Mr. Yazdanpanah,

I am writing to inform you it has been brought to my attention that you were in violation of the Town of Windham Towing Ordinance Specifically section 220.12, to paraphrase, each towing company for no preference calls must abide by regulation of rate prescribed by the ordinance.

This violation was reported to the Windham Police Officer on August 8th, 2022. You had responded to a call for a wrecker related to a crash on August 6th, 2022 and towed a vehicle. On Monday August 8th, 2022, the owner of the vehicle notified us that you were charging him \$420.00 instead of the prescribed rate of \$130.00 for the tow and \$50 for the storage. The owner told us you charged him a winch fee and doubled the storage fee. The owner stated you were refusing to release the vehicle until the fees had been paid.

The complaint appears to be similar in nature to an incident that happened in January of 2020 where you received a documented suspension from the list. Please consider this letter my formal decision to suspend you for two weeks in accordance with section 220.9 of the Towing Ordinance. I have attached a copy of the towns tow ordinance for your review.

I will not impose the two-week suspension until Monday September 20th, 2022, to allow you enough time to appeal this decision pursuant to section 220.13 if you choose to do so.

Sincerely,

Kevin L. Schofield
Police Chief
