Dear Residents of Windham,

Mainers have always been known for their courage, creativity, grit, and willingness to help a friend or neighbor in need. Although the past two years have challenged us in many ways, together we have powered through the pandemic, politics, and the various ripple effects that have impacted our communities. **From all of us at LifeFlight of Maine, thank you for your gift of \$2,000.00 to the Community Giving Campaign.** Your support is a visible signal about the importance of our service and mission; your generosity helps keep Maine strong and connected.

Last summer was our busiest ever -- **we transported an average of eight patients a day!** As we once again welcome the warmer months, and Mainers and visitors alike increasingly get outside to enjoy all of our great state's beauty, the LifeFlight Crew remains ready to answer the call for help.

These calls are for Mainers of all ages -- from newborns to young adults and seniors; from the mountains to the lakes and coastal islands; from highways, on trails, and on main streets, and, importantly, from hospital to hospital. Imagine the ripple effect *that* has on families, friends, generations, and communities.

Your gift helps LifeFlight to operate and maintain a safe, fast, and reliable fleet; to provide critical care education to our team and partners around the state; to upgrade and replace our advanced medical equipment; and to enhance the aviation infrastructure that is the backbone for what we do.

We understand that the needs in every Maine community are greater and more complex than ever before. We are **extremely grateful** that you included LifeFlight among those organizations that you chose to support. We hope that the next time you see or hear one of the LifeFlight of Maine helicopters in the skies above that you will take **great pride in knowing what a difference your support makes.**

With warmth and gratitude,

Kate O'Halloran
Executive Director
