Subject: FW: IRT Review of project revisions - Depot Street Windham

Steve,

I reviewed the plan and am all set with it (see below),

Thanks Dustin,

That's very helpful!. If its OK with PWD, then I'm fine with it now that its clear what's happening,

Mark

We noticed that as well when we were revising the plans for the water district. Attached is a revised plan showing the revisions that the PWD required, along with adding the fire line service to the 7-unit building.
