

Windham Economic Development Corporation

Promoting Sound Economic Investment in Windham

Windham Economic Development Corporation
Quarterly Report
August – October 2023

Windham Downtown Infrastructure

Participated in North Windham Sewer project planning and engineering meetings
Coordinated Congressional Designated Spending/EPA grant application process with Finance Director and Portland Water District
Worked with property owners and developers on easement and ROW acquisitions for both sewer and transportation projects
Held first sewer collection system property/business owners meeting to discuss sewer progress as well as the easement process going forward October 18th

WEDC Real Estate pre-development site engineering and concept planning for:

Former Transfer Station parcel
Former Andrews School parcel
Relocated North Windham Fire Station
Resue of current North Windham Fire Station for economic development purposes

Windham Economic Development Strategic Plan

Coordinated and assisted efforts of Crane Associates with data gathering and business outreach
Received draft plan update at WEDC Annual Meeting on October 18th
Working with Crane Associates to finalize plan

Marketing and outreach

Developed reports on economic activity with Steve Harmon, Windham GIS, utilizing Placer Ai location data services
Continued the summer Buy Local marketing efforts
Continued the Downtown Windham infrastructure improvement/revitalization marketing in Northeast US region
WEDC sponsored the October Sebago Lakes Region Chamber Business Break

Respectfully Submitted

Thomas Bartell
