Hi Dustin,

This email to confirm that PWD has reviewed and approved of the water service configuration presented for the above referenced project in plans dated 4/22/16 by DM Roma Consulting Engineers.

Sincerely,
Gordon

Subject: Abby Commons - Sandbar Road - Windham

Good morning,

The Town of Windham is asking for a written confirmation from PWD that the water distribution design has been reviewed and is found acceptable for the Abby Commons project on Sandbar Road. Could you please send me something for their files – a simple response to this email would be sufficient.

Thanks, let me know if you have any questions.

Dustin M. Roma, P.E.
