Please find the enclosed 2017 Membership Certificate and sticker for display at your place of business. **Be sure to place your membership sticker in a visible place show your support!**

THREE IMPORTANT REMINDERS:

1. **Provide us with any updated rack cards or promotional materials** to help us refer your business and services out of our information center.
2. **Email us** when you have *special announcements, specials or issues you want to market out to the community!* Help us help you!
3. **Be sure to update us** if any of your primary contact information needs updating or you have new staff you would like us to add to our database! The more you know the more you grow!

Once again, your support is extremely important to us. As your partner in business we sincerely thank you for your contributions.

Warm Regards,

Hello SLRCC Member:

As a current member of the SLRCC you have earned a spot in this year's Sebago Lakes Regional Guide under the *Members in Good Standing* section. I want to ensure I have everyone listed with accurate information, so please help me out!!

This packet was mailed to the current address and contact person we have on file for your business. This information is what will be used in the Regional Guide. If you want the address/contact information to be updated you need to let me know BEFORE March 1st.

Please email (robin@sebagolakeschamber.com) the following information:

- Company name
- Primary business contact
- Primary contact's email address
- Company physical address
- Company mailing address (if different from physical address)
- Please let me know which address you prefer is listed in the guide
- Which categories your business should be listed under (see back of this sheet)

Thank you for your help. I greatly appreciate it!
