### Monthly Report March 2017

#### Projects:

**Homeland Security Grant:** Our grant to install proximity card / tab readers on our doors at the public safety building has been completed. This project not only modernizes our security at the public Safety building and the North Windham Fire station, it will allow expansion into other municipal facilities if the need and or desire arises.

**Traffic Enforcement:** In addition to the extra patrols paid for by the Bureau of Highway Safety grant, we have asked our patrol force to prioritize traffic enforcement when possible. I am pleased to report that for the month of March our traffic stops and citations are up significantly from January, Both January and February with 407 traffic stops and 132 citations issued.

**Staffing:** Currently we still have one vacant position based on our budgetary allotment of 27 sworn officers and three non-sworn positions.

We are currently performing a background investigation on an out of state certified officer. After a preliminary review of the officers' training records and discussion with the administration of the Maine Criminal Justice Academy, there most likely would be a waiver of the full 18 week training academy once certain classes and waiver tests are completed.

While we are trying to fill one open position, we have been short another position as the result of a long term injury which we anticipate lasting to the end of the fiscal year.

### Licensed Liquor Establishments:

Periodically, I have addressed the Town Council on issues related to some of our licensed liquor establishments in Town. I have reported that I would track the calls for service each month to determine any of our establishments had any problems that they may need assistance with. This has been on going and I am pleased to report no significant issues again this month. Below is a list of calls for the month of March

### Eagles Club zero calls

#### Dena's – 765 Roosevelt Trl

<input type="checkbox"/>	CallID	When Reported	Typ	Nature	P	Location	Cty
