

# Windham Police Department

## Monthly Report

**Augusta 2017**

**Community Policing:** The large community policing event for the month of August was the National Night Out. For the past two years we have collaborated with the Sherriff's Department and Gorham PD on this event, this year the event was held at Shaw Park in Gorham. The event provided an opportunity for agencies to showcase various pieces of equipment and programs offered. Office Matt Cyr's Project Adventure program did kayak demonstrations; our police motorcycle unit was on display, Detective Gallant was on hand to display crime scene and crash reconstruction equipment, as well as the ever popular K-9 demonstration by Officer Stubbs and Vader. The event was well attended and most importantly provided an opportunity to meet the public answer questions and forge positive community relations. Next year we look forward to hosting the event in Windham.

WINDHAM POLICE  
DEPT

**Narcan / Recovery Liaison:** The month of August unfortunately brought two deaths where preliminary investigation indicates maybe caused by acute opiate overdose. These investigations are still on going. Also our officers had administered Narcan to three people who were in apparent respiratory arrest from an opiate overdose, in addition to any administered by our fire department for the month. Unfortunately these factors at least anecdotally the opiate problem in our region remains significant.

Several referrals have been made to our recovery Liaison Specialist Danielle Rideout. By way of review, Danielle is hired by the collaborative grant applied for and received by Westbrook, Windham and Gorham. During the month of August the Danielle met with 28 new people, 2 from Windham in addition to 222 inmates in the Cumberland County Jail all who reside from the towns covered by the grant.

Next month we look forward to reporting on the start of a new school year and another exciting public event coming in October.
