## Summary

It is the mission of Social Services to improve the quality of life for people in need<sup>1</sup> who reside in the Town of Windham, by:

- Promoting economic self-sufficiency; and
- Connecting people with those resources made available by the Town, the state and the federal government, in accordance with applicable laws and regulations.

Each month the current status of the program will be assessed using the following measures identified in the budget narrative.

**1. People in need are counseled and provided information and referrals regarding local, regional, state and federal social service programs.**

- a. In April, as in previous months, we coordinated with government and community based agencies that offer resources to strengthen individuals and families and promote economic self-sufficiency, such as Project Feed, USDA, DHHS Emergency Funds, and the Aspire Program. We also coordinated with other providers of social services, such as the Good Shepherd Mobile pantry, Opportunity Alliance which administers LIHEAP; RTP Bus Service, Salvation Army and Neighbors Helping Neighbors.
- b. Social Services made/received six hundred and forty-two (642) phone calls<sup>2</sup>; interviewed one hundred and five (105) individuals for direct general assistance<sup>3</sup>, and provided food/non-food assistance to three hundred and seventy-one (371) households. Each individual was provided education and information regarding additional resources available to them and encouraged to investigate these programs, and in many cases received assistance from staff (phone calls, emails, etc.) to connect with these services.

<sup>1</sup> “People in need” are defined to include those people who qualify for financial or other assistance according to regulations issued by the Town, the state and the federal government. As authorized by the Town, Social Services may offer additional services to enhance the quality of life for children, families and seniors.

<sup>2</sup> This number includes calls from those seeking food/non-food, clothing, and/or financial assistance, out-reach to the community and calls made on behalf of clients seeking assistance.

<sup>3</sup> Seventy-nine (79) Windham; Twenty-six (26) Gorham.

**2. People in need that qualify for General Assistance under the Ordinance receive temporary assistance for basic needs.**

- a. In April, three hundred and seventy-six (376) households in need were assisted by the Food Pantry and/or the Clothes Closet.
- b. Vouchers are provided for housing, winter emergency fuel, or electrical assistance to those who qualify for it, under applicable law<sup>4</sup>. All decisions are rendered within twenty-four (24) hours as required by the state. In April four (4) residents qualified for direct general assistance.
- c. Staff continued to reach out to members of the community, local businesses and NGO's that support with their time and their donations. In April, the Food Pantry received \$ 1,831.00 in donations and forty-nine (49) community members volunteered one hundred and one (101) hours of their time.

**3. The annual audit demonstrates compliance with state regulations.**

- a. An annual audit was conducted in February of 2018 by the Department of Health and Human Services (DHHS) Field Examiner, Gerry Biron, and he noted 100% compliance in all areas.

All of the programs located at the Family Resource Center, support the mission of Social Services and all of those that sought assistance in April received some type of assistance – food/non-food, educational/informational, or financial<sup>5</sup>.

As a result of these efforts, and the generosity of so many groups and individuals, assistance was provided to almost four hundred (400) eligible individuals and their families while working to help them to achieve improved self-sufficiency.
