Chat with the Director

The theme for the summer Reading Program this year is "**Libraries Rock!**" Director Jen Alvino says that this can take many different avenues, from music to more literal geology.

The kickoff for the Children's Room will be definitely rockin' **West African Rhythms and Songs with Annegret Baier**. Also in the Children's Room this summer will be a weekly **Lab Coat Adventures** program, **Calm as a Critter** yoga, **letterboxing**, **crafts**, and other rock-related special events. Stay tuned in the newsletter, [online calendar](#), and [through our special webpage](#) for information about all upcoming events.

In the Children's Room right now are **frogs, toads, and salamanders** who are growing before our eyes. Stop in before they hop away!

This year, the library's garden will be a **rock garden** (naturally). To help us fill it up with decorated rocks, there will be rocks and Sharpie pens available throughout the library for patrons to get creative.

In the Adult Services section, we'll have **Summer Reading Bingo** sheets (fill out a sheet and be entered to win a prize) for both **adults and teens**.

This summer, Maine Public has selected our book group to participate in [The Great American Read](#) program. The book club selected **Americanah** by Chimamanda Ngozi Adichi. In September, the group will discuss their selection.

And finally, the Library will once again participate in the **Windham Summerfest parade**. Look for Library staff and patrons to be dancing (or walking) alongside our antique truck. Also this year, we'll have a booth, so stop by to visit and chat about library services.

Welcome to new staff!

Our newest **Circulation Assistant** is **Marie Morey**. Marie has worked in libraries for many years, so she may be a familiar face to you. Welcome, Marie!

Ask library staff for **Windham High School** required [Summer Reading](#) materials.

**Windham Public Library.
Find It Here.**
