Dear Mr. Plante,

I would like to take a moment to express our sincere appreciation to the Windham Fire and Rescue team in their efforts with assisting the Department of Corrections in a mock training drill, held at Maine Correctional Center on September 4, 2018. The drill allowed staff to experience a multi-agency incident in a training environment. Your team was very knowledgeable and professional. We appreciate the time, that you take to help and support us in all matters.

On behalf of the Maine Department of Corrections, I thank you for making our training in planning for emergency situations a success.

Sincerely,

Dr. Joseph R. Fitzpatrick, Commissioner
