

Windham Police Department
Monthly report
August 2018

Staffing: Our staffing situation is progressing nicely. Officer Alex Brokos has completed field training in late August and is fully incorporated into the patrol schedule. Officer Derek Axelsen was accepted into the current Police Academy 18 week training starting August 13th and running to mid-December. We have hired Alan LeBlanc a full time certified officer with an anticipated start date of early September. We have also begun a new hiring process to fill the authorized 28th sworn slot for a January start date and have reserved a position in the January 2019 – May 2019 Police Academy class.

Community Policing: This year, National Night Out was held Tuesday August 7th at the Windham High School lot. The event was extremely well attended and well received. We had multiple Law Enforcement Agencies, our county communications Center attend as well as various social services agencies and other municipal departments. In addition to our K-9 demonstrations being received well, our crash reconstruction and drone program were well received. I wish to thank everyone who attended and Particularly Matt Cyr who as always make the logistics of our community events come together.
