Windham Police Department Monthly report October 2018

Staffing: The department is currently working to fill the 28th sworn position allotted in this year's fiscal budget to begin January 2019. We had received 14 applications for the position. Six candidates were interviewed on the 17th. A background investigation has commenced on the top candidate. Physical agility testing is scheduled for December 19th with a make up date January 3, 2019. At this time things appear on track to have a cadet in the January BLETP at the academy. All reports coming from the academy on cadet Axelsen are positive, and going well. Graduation is slated for December 14, 2018.

Community Policing: October was a very busy month with Community Policing events. On October 3rd we held a Coffee with a cop event at Duck Pond Variety. This event was extremely well attended and well received by the members of the department, the community and the management and employees of the store, we look forward to future events. On Saturday October 6th safety day took place at the Public Safety Building. Both the Police and fire departments as well as various service entities had display and made presentations. This event is always well organized and received. A Tip a Cop event was hosted at Applebee's where officers from both Windham and Gorham helped wait and bus tables. People had the opportunity to give donations to the Special Olympics of Maine, close to \$1,000 was raised. Finally on October 27th a drug take back was hosted at the Public Safety building, 345 pounds of unused medications were properly disposed of that day.

Next month we look forward to reporting on our reading program at the primary school.
