Dear Donald,

Thank you for your service as Windham Town Manager. I appreciate the hard work that you do on behalf of Windham and its residents.

Local and state elected officials are the most direct connections between our constituents and their government. In order to best serve them, I will continue to have an open door to you and the Board of Selectmen. I am always happy to speak with you or meet in person to talk about any concerns facing Windham.

Additionally, if you have any ideas or suggestions for legislation that may be helpful to Windham, the deadline to submit legislation for the upcoming legislative session is December 31, 2018. With that date quickly approaching, don't hesitate to email me or call my office: [William.Diamond@legislature.maine.gov](mailto:William.Diamond@legislature.maine.gov) or (207) 287-1515.

Any ideas you would like submitted as legislation would need your participation at the public hearing so that all of the pertinent information about the bill and the intent will be presented to the committee in the appropriate manner.

It is an honor to serve again as your state senator. I look forward to continuing to work with you and other members of our community as we search for ways to tackle the problems before us.

Sincerely,

  
Senator Bill Diamond  
District 26 - Baldwin, Casco, Frye Island, Raymond, Standish, and Windham
