Public Notice:

Notice of Intent to File

Please take notice that the Maine Department of Transportation (16 State House Station Augusta, ME Phone: 624-3000) is intending to file a Natural Resources Protection Act permit application with the Maine Department of Environmental Protection pursuant to the provisions of 38 M.R.S.A §§ 480-A thru 480-BB on or about January 29, 2019.

MaineDOT is proposing permanent and temporary wetland and stream impacts to support rehabilitating 3.15 miles of River Road in Windham. Improvements include widening to provide adequate travel way and shoulder width, horizontal and vertical geometric improvements to improve rideability and improve sight distances, and to bring the roadway up to current safety standards.

The project begins at the Westbrook town line and continues northerly to approximately 320 feet south of the intersection with Chute Road and Depot Street.

A request for a public hearing or a request that the Board of Environmental Protection assume jurisdiction over this application must be received by the Department in writing, no later than 20 days after the application is found by the Department to be complete and is accepted for processing. A public hearing may or may not be held at the discretion of the Commissioner or Board of Environmental Protection. Public comment on the application will be accepted throughout the processing of the application.

The application will be filed for public inspection at the Department of Environmental Protection's office in Portland during normal working hours. A copy of the application may also be seen at the municipal offices in Windham, Maine.

Written public comments may be sent to the regional office in Portland where the application is file for inspection: MDEP, Southern Maine Regional Office, 312 Canco Road, Portland, Maine 04103
