Subject: C-3

Hi Amanda, Tom & Don

Please forward to whomever.

I'm sorry to be unloading this all on you but I don't know who else to send it to.

I've attached part of the real estate listing for the property in Westbrook. Unfortunately this was the property referred to by a planning board member at the meeting in 2016 when they recommended Construction Services as a conditional use in C-3. Something like- we don't want to look like that place with all the trucks and stuff right next to the road, you have to listen to the audio to hear it though. I will add that I have brought this up in one of my "speeches" to point out that it is in Westbrook and Windham does not have a Highway Services zone.

I don't even know what else to say at this point.

Thanks
