To the Windham Town Council:

As required by Article V Section 2 of the Windham Town Charter, I am pleased to submit the Town Manager's proposed budget for fiscal year 2019/20.

Working with the Interim Finance Director, I have proposed some changes in the budget that we feel will assist the Council, staff and citizens to have a clear picture of the expenditures and revenues for the Town in 2019/20. These changes include the town's payment to RSU#14 and budgeting revenues received from RSU#14. Carry forward funds are included in the budget and revenue sharing has been budgeted as a revenue.

This budget's goal is to maintain the services and programs that are currently provided in Windham.

There are some personnel recommendations proposed. An additional Police Officer is budgeted to start on 1/1/2020. Two additional Firefighter/EMTs are proposed to start 1/1/2020 which are paid for by reducing funding in the Fire Department's Part-Time Account (per diem). A part-time position in the Town Clerk's Office is proposed to increase from 24 hours to 40 hours per week and the Teen Services/Emerging Technology Librarian is proposed to increase from 25 hours to 40 hours. A 2% COLA has been included for all non-union employees.

Major Operating Budget Increases

Additional Debt Service Public Works Garage	\$409,000
Additional Operating Cost Public Works Garage	126,000
Additional Employee Benefits	379,000

We are proposing that the annual purchase of police cruisers and payment for Windham's share of the Regional Crime Lab be budgeted in the Police Operating Account instead of the Capital Equipment Account. This moves approximately \$109,000 to the Police Operating Account.

We have also budgeted the 3-5 years lease purchases that the Town has been using to purchase equipment into the Debt Service Account (\$590,000) instead of the Capital Equipment Account. I have increased the Capital Equipment Account by \$150,000 to a total of \$875,000 to assist with needed major equipment replacement.

The proposed Capital Improvement Plan is included with the budget.

The Town utilized \$1,523,451 from the Town's Undesignated Funds in the 2018/19 budget. Included in that amount was Revenue Sharing Funds that were carried forward in the balance as revenue sharing that was not budgeted as revenue in 2018/19. We are proposing to budget Revenue Sharing in the 2019/20 budget (\$900,000) therefore I have reduced the amount used from Undesignated Fund Balance to \$623,451 which added with budgeted Revenue Sharing (\$900,000) totals the same amount that was budgeted in 2018/2019 (\$1,523,451).

Under the terms of the Town's Fund Balance Policy there is \$1,792,132 available to be used "to fund capital needs of the community or reduce property taxes." I have proposed the use of \$623,451 of these funds leaving \$1,168,681 available.

There are a number of potentially large funding issues that are facing Windham:

- 1) Adequately funding annual Equipment Replacement & Building Facilities Improvements
- 2) Funding for the 21st Century Downtown Plan
- 3) Funding North Windham Wastewater Project
- 4) Funding for the Community Center
- 5) Funding to pave gravel roads
- 6) Funding of Public Safety Building Expansion

7) Funding Renovations/Improvements to Town Hall

Prioritizing these major projects and potential funding sources along with a possible timeline will give the Council, staff and citizens a roadmap for future Town projects and spending options.

I look forward to discussing this budget with the Town Council and citizens. I would like to thank all Department Heads for their work on the budget and a special thank you to Susan Rossignol, Interim Finance Director, for all of her work, advice and professionalism in putting this budget together.

Thank you.

Don Gerrish
Interim Town Manager
