RE: Equipment Disposal at Keenan Auction

The Public Works Maintenance Garage has compiled a list of old equipment/vehicles that can be disposed of. The list is provided below.

- 2007 Chevrolet Impala VIN: 2G1WS55R079364503 Current Mileage: 131,800 miles.
- 2011 Chevrolet Impala VIN: 2G1WD5EM4B1293330 Current Mileage: 77,491 miles.
- (1) Mass Flow Tech 3R XL-Erated Performance R134A AC Machine
- (1) Transtech III Transmission Machine
- (1) Kleen King Coolant Recycler
- (1) Viper AF3400 Cooling System Service Center Machine
- (1) Syntech Corp. Headlight Aimer
- (3) Large 8 Drawer Craftsman Tool Boxes
- (3) Small 11 Drawer Craftsman Tool Boxes
- (1) Millermatic 200 Arc Welder
- (1) CM Lodestar Hoist
- (1) Lincoln Electric Mobiflex 200-M Fume Extractor
- (1) OTC 5015 Truck Clutch/Flywheel Handler/Jack
- (1) Blade Buddy 5083 Plow Jack
- (2) Blue Storage Cabinets
- (1) Ferret 42HD Heavy Duty Battery Load Tester
- (1) Weber RC 40 Vibrator Plate
- (1) Battery Charger, Starter & Tester (Yellow)
- (1) Walker Mower Deck Shell
- (1) Pro-Logix Battery Charger
- (1) Justrite 2 Drum Accumulation Center (Secondary Containment)
- (1) Branick 7400 Spring Compressor

These vehicles & equipment are no longer an asset to the town. Both the Chevrolet Impala's are beginning to show signs of excessive wear and are no longer worth the dollar amount needed to maintain them in safe, working condition. Most of the equipment has been replaced with updated & relevant equipment. We recommend disposing of them by means of the Keenan Auction, which is being held at Beech Ridge Motor Speedway on October 10<sup>th</sup>, 2019. They will be accepting equipment/vehicles no later than October 7<sup>th</sup>.
