RE: Draft Marijuana Ordinances

The Town Council held a workshop on June 25, 2019, to discuss options for regulating medical and adult use marijuana in Windham. The discussion with the town attorney resulted in a consensus from the Council to direct staff to prepare draft ordinances for the various marijuana options.

At meetings on September 9, 2019 and October 7, 2019 the Retail Adult-Use and Medical Marijuana Establishments Task Force reviewed draft ordinance language that creates a licensing process for all marijuana business, establishes performance standards for marijuana businesses, and permits certain marijuana businesses in appropriate locations in Windham. The Task Force had several comments and questions related to the draft and recommended the following additional changes:

- In Licensing Ordinance Section I.3 the Medical Marijuana Registered Caregiver (home occupation) shall not be required to have an alarm system.
- Revise the licensing fee schedule
- Add “in the State of Maine” to Licensing Ordinance at the end of sentence of Section H.7 so that it reads: Has been convicted of a criminal violation arising out of operation of a Marijuana Business in the State of Maine.
- Add Marijuana Cultivation Facility (Tiers 1, 2, 3 and nursery) as a permitted use & add a licensing fee. Recommend Nursery (cultivation <1,000 sf), Tier 1 (cultivation <500 sf), and Tier 2 (cultivation <2,000 sf) permitted in same districts that allow caregiver cultivation, and Tier 3 permitted in ED, I, C1, and Farm zones. Do not recommend opting-in to Tier 4 facilities (cultivation 7,000-20,000 sf).
- Delete Section 535.E.1 to eliminate delivery only operation for Caregiver Home Occupations. The LUO currently already has a performance standard for Home

Occupations in Section 527.F.8 that states that “the home occupation shall not generate traffic of a substantially greater volume than would normally be expected in the neighborhood.”

The commercial cultivation of adult use marijuana was not included in the summary of the June 25th Council consensus on marijuana options, so the attached draft ordinances have been revised to opt-in to Marijuana Cultivation Facilities and to incorporate the Task Force’s recommended changes to the licensing fee schedule.

Prior to action on a license application, the Clerk shall give public notice of the application by publication in a newspaper of general circulation in the town of Windham at least seven (7) days prior to action.

E. Review Procedures

The review procedures described below shall be the same for initial license applications as well as renewals. In reviewing license applications, the Licensing Authority and any consulting Town officials may consider the approval standards under this Ordinance as well as other applicable local, state or federal laws and, for license renewals, the Licensee's record of compliance with the same.

1. The Town Clerk shall be responsible for the initial investigation of the application to ensure compliance with the requirements of this Article and to obtain recommendations from other Town officials as required.
2. The Licensing Authority shall have the authority to impose any conditions on a license that may be reasonably necessary to ensure compliance with the requirements of this Ordinance or to address concerns about operations. Failure of any Licensee to comply with such conditions shall be considered a violation of the license and of this Ordinance.
3. No license shall be granted by the Town Council until the Police Chief, Fire Chief, Health Officer and Code Enforcement Officer have all made positive recommendations regarding the Applicant's ability to comply with this Ordinance or any other applicable Town ordinance or state

or federal law enforced by such officials. The Town Clerk shall provide a copy of the license application to each official along with a form upon which the official shall note his or her findings and conclusions, as well as any recommended conditions of approval. The Town Clerk shall automatically include any conditions of approval recommended by the officials on the issued license.

4. For renewal licenses, the application and review process shall be the same as for initial licenses, except that the Town Clerk shall serve as the licensing authority for all Marijuana Businesses. If any official consulted by the Town Clerk finds that a license application should not be approved, the application shall be forwarded to the Town Council for further review. The Town Council shall, upon review of all staff recommendations and applicable laws, make the final determination as to whether the license should be issued and/or any conditions to be attached.

5. Licenses shall be approved only for the type(s) of Marijuana Business(es) identified in the application. A Licensee who intends to expand or convert the licensed Premises to a type of Marijuana Business that is not specifically approved in a license must obtain a new license for that use.

6. Any municipal official with authority to make recommendations, grant licenses or enforce this or other municipal ordinances regarding Marijuana Businesses shall have authority to enter the premises of an Applicant or Licensee without notice to make any inspection reasonably necessary to ensure compliance.

F. Application Submission Requirements

4. If not included in the Applicant's State License application, an affidavit that identifies all owners, officers, members, managers or partners of the Applicant, their ownership interests, and their places of residence at the time of the application and for the immediately preceding three (3) years. 7. Evidence of all other local approvals or conditional approvals required to operate the Marijuana Business, including any applicable food or victualer's license.
8. A description of the premises for which the license is sought, including a plan of the premises.

If the Town Clerk determines that a submitted application is not complete, he or she shall notify the applicant within ten (10) business days of the additional information required to process the application. If a license becomes available, the Town Clerk shall notify the first applicant on the waiting list and that applicant shall have ten (10) business days to provide the applicable application fee and any updated
