MEMORANDUM

To: Barry Tibbetts; Town Manager
From: Kevin L. Schofield; Chief of Police
Subject: Revenue comparison
Date: January 22, 2020

Below please find some comparison revenue fees for other regional communities. As you are aware Police Departments do not have a lot of impact / revenues and those that we have are typically not large sum items. I believe this research shows we are fairly well in-line with the regional norms.

I would like to take a moment to point out that as the result of questions on court reimbursement during the last budgeting cycle we had done some research as well as make assurance our staff was filling out the appropriate paperwork. As a result our revenue for court reimbursement has increase from \$200 (Approx.) in fiscal yr. 19 to over \$800 thus far fiscal year 2020.

Please let me know if you have any questions or require further research.
