Thanks Dustin,

I've reviewed your response to my comments and the revised plans that you sent and am satisfied that you've addressed my comments,

Mark

Hi Jennifer & Mark,

Attached is a response to the review comments for Veery Estates. If you do not have time to look at these in detail before the meeting tonight, I at least wanted to make sure you saw that the package includes the Septic System designs and Financial Capacity Letter so that we could potentially vote on Completeness tonight along with the waiver requests.

Thanks,
