Mr. Tibbetts;

As chair of the Certification Committee it gives me great pleasure to inform you that, Chief Libby, has submitted his certification packet and after review has been awarded his Chief Fire Officer Level III.

This program was developed by the Maine Fire Chief's Association and looks not only at work experience and training, but also professional contributions, memberships and community involvement. Chief Libby has demonstrated a great deal of involvement in all of these areas. It is a testament to his hard work and dedication to the position of Chief for Windham Fire-Rescue.

Sincerely,

Kenneth A. Brilliant
Fire Chief
