RE: Public Works Pickup and 1 Ton

ok to proceed

We are seeking approval to purchase:

One 2022 4x4 GMC 3500HD Double Cab 1 ton pickup
A 9.5 foot extreme V plow, and 84 month 70,000 mile extended warranty from Bill Dodge from account 19100-47430 capital equipment in the approved 2022 budget.

We have received bids from three dealers for the following trucks with plow,

Bill Dodge 2022 GMC Sierra 3500HD Double Cab 4x4	\$47,549.00
O'Connor Motors 2022 GMC Sierra 3500HD Double Cab 4x4	\$48,000.00
Quirk Chevrolet 2022 Silverado 3500HD Double Cab 4x4	\$49,295.00

We have \$ 60,000 budgeted for the Double Cab pickup truck. Buying this truck for \$47,549.00 will leave a balance of \$12,451.00

From this balance we will also purchase

A Fisher stainless sander 3cubic yd. from Messer Truck for \$7,498.54

Lights, running boards, plow deflector and misc. set up equip.
Not to exceed the remaining \$4952.46

This would total \$60,000 we have budgeted for this purchase
