MEMORANDUM

To : Paul's Boutique
From : Barry Tibbetts, Town Manager
Date : November 1, 2021
Re : Extension of Adult-Use Implementation Timeline

Dear Mr. Dwight,

This memo is to confirm our prior discussion on issuing the adult-use license awarded on September 22, 2020. As the Town Manager, your award was extended. We have verbally discussed on several occasions your company's intention with completing the planning approval/design construction phases on buildings and structuring the business continuity plan and on opening the new store, slated to open Q2 of 2022.

The Town understands the importance of the transition and looks forward to your completion of the new licenses.

Sincerely,

Barry Tibbetts
