To discuss private road ordinance amendment language regarding when private road and private way improvements would be required by new development.

The Council will continue its discussions on private roads, continued development on private roads, whether/how to establish standards leading to the gradual improvement of private roads or reducing the deterioration due to inadequate construction and overuse. Previous discussions were held at the Council meetings of July 26, August 9, and September 20, 2016.

A copy of the staff memo from the discussion of September 20, 2016 (CD 16-306) is attached as background.
