21<sup>st</sup> Century Downtown Land Use Ordinance Amendments Presentation & Discussion - Part I.  
The Council will review the 21<sup>st</sup> Century Downtown plan and principles, then hear a presentation on character-based coding, both of which form the basis for ordinance amendment work being done to realize some of the plan’s vision as development and redevelopment occur in the plan area.

Another discussion is planned tentatively for April 18<sup>th</sup> to review the specifics of the character-based code amendments proposed for Windham’s 21<sup>st</sup> Century Downtown.
