Legislation Text

File #: CD 18-191, **Version:** 1

Rescue Billing - Insurance, Fees, and Collections.

A representative from the town's rescue billing service, Medical Reimbursement Services of Windham, and the fire-rescue chief will discuss the town's practices with respect to insurance, billing and fee structure, and collections.

In the FY 2019 budget, \$600,000 in net rescue fees (\$705,000 in revenue less \$105,000 in uncollectible accounts) is expected to offset the operation of the town's emergency medical services.
