I. Council Action Requested.

To approve an application submitted by Northern New England Telephone Operations, LLC and Central Maine Power Company to locate (13) utility poles and cables and wires beginning at Pole 508 [75] there on Windham Center Road, approximately 900 feet northwesterly of the intersection of center line US Route 202/4; thence extending approximately 1670 feet northwesterly to Pole 522 [88].

II. Basis for Council Action.

Council approval of this item is required because;

- a. Title M.R.S.A. 35A § 2501 (2) states that “[E]xcept as otherwise provided, a person may not construct facilities upon and along highways and public roads without applying for and obtaining a written location permit from the applicable licensing authority.”
- b. Title M.R.S.A. 35A § 2502 (1) B defines applicable licensing authority has “[T]he municipal officers or their designees, when the public way is a city street or town way or a state or state-aid-highway in the compact areas of urban compact municipalities...”
